Hello, i.am Krystal

I.am the Team Leader for i.am in Coffs Harbour and Nambucca Heads and I will be the first person you meet in the program.

Being a part of the i.am team encourages me to be my authentic self by sharing life experiences that empower young people to overcome barriers, build autonomy and create a sense of belonging along their journey.

A few of my favourite things are going on adventures, camping, learning about culture and sharing stories.

I bring a quirky sense of humor and a warm smile.

Hello, i.am Rachel

I have worked in the Mental Health and Youth sectors for 12+ years. I would describe myself as a fun, approachable & dedicated Child & Youth Champion working with the i.am program.

I am a creative person & love music - live performance on guitar & vocals are my thing, but I also love recording original songs at home.

I've had an interesting life so far & bring a lived experience to my role. I've also learnt a lot about myself since being with the i.am and love learning different things from the young people I support.

I'm a big softy when it comes to animals, especially dogs. In my spare time, I'm usually outdoors, walking, and playing basketball, or out on longboard or an electric skateboard.

Hello, i.am Matt

I am a fun energetic Child & Youth Champion who loves working in the i.am program in Coffs Harbour and Nambucca areas.

Why, you, may ask?

By building the young person's trust and confidence, they let me into their life/world and express their need and goals as we create a plan to accomplish this together no matter how big or small to me this is in powering and the young person becomes more confident in tackling life lessons, I use my interesting life background and lessons from my lived experience to my role this creates a trust between me and the young person. I love learning different things from the young people I support, and they always have something new to teach me.

When I am not at work, you can find me playing AFL, Oz tag and down the local break wall walking my Mini Dachshund - Slinky as she loves being outdoors at the beach!

"Vulnerability sounds like truth and feels like courage. Truth and courage aren't always comfortable, but they're never weakness.."

Hello, i.am Ebonee

Hey, I'm a Child and Young Person Champion based in the Coffs Harbour and Nambucca Heads area.

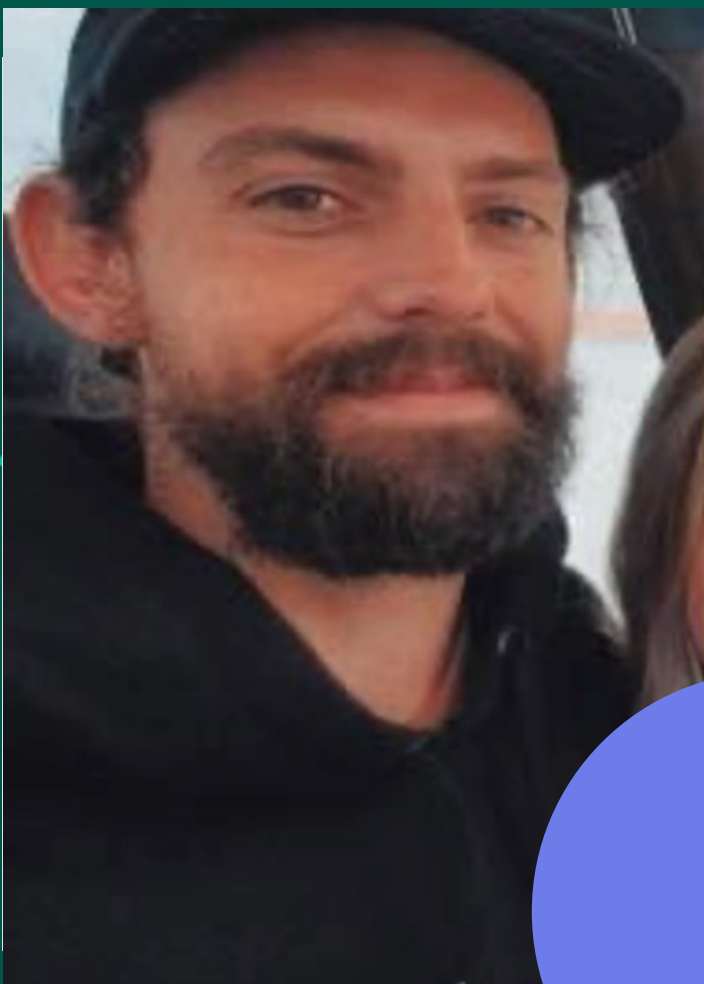

I am a proud LGBTQIA+ woman. I'm a laid-back person who loves a good laugh and who's always up for a chat or going for a quiet drive.

Over the years, I have become a strong advocate for young people as I too have a lived experience and bring diversity, understanding and acceptance to the team.

I enjoy watching movies, TV shows documentaries, playing Xbox and listening to music and getting outdoors to the beach.

I am a MASSIVE AFL and AFLW fan, but don't hold that against me!

Hello, i.am Rourke

Hey, I'm a Child and Young Person Champion based in the Coffs Harbour and Nambucca Heads area.

I am originally from Newcastle. Growing up there my whole life and have been working with mental health/disability for the last few years.

I enjoy working in community services because I get to meet all sorts of different people every day and get to be a part of their lives.

When I am not at work I like running and going to the beach!
