Mobility aids such as wheelchairs and assistive technology are in use for convenience.

SDA

All of us together: Our home is your home

Lurnea sits in the heart of south-west Sydney. It is a beautiful quiet suburb at the epicentre of Liverpool, Ashcroft, Casula & Hoxton Park.

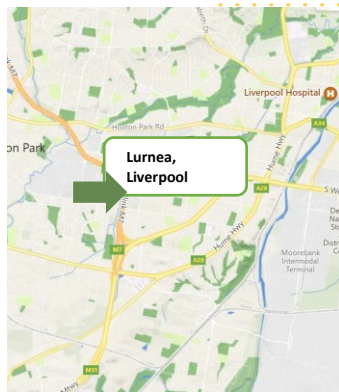

The property offers space and light both indoor and outdoors.

There is a diverse choice of restaurants and cafes nearby. And just a short stroll to parks and local community shops.

3 pharmacies and the local GP are located on the same street 500m from the property. Bus stops are within walking distance with the closest airport approx. 30 minutes away.

There is plenty of on street parking for visitors.

Vehicles: 1 staff vehicle on site

About our current residents

What do we love?

We embrace diversity and come from different backgrounds, abilities and different ages. We love arts & crafts, water play and sensory play.

Community outings to the park or the beach for a nice lunch and walk bring us great joy. As does participating in our day programs.

Ages: We range in age from 28 to 50 years of age

Genders: Male

Safety & Security:

- Secure property with all external entrances and exits locked at all
- The property is purpose-built and provides non-slip flooring
- Back to base monitoring systems for fire
- CCTV in common areas as well as the external of the property
- 24/7 active on-site staffing

Mobility:

Manual handling equipment compatible in bedrooms and bathrooms. One resident requires mobility aids such as wheelchair and assistive technology.

About our helpful staff

The team at Lurnea is a long-standing passionate team who have shown over time an unwavering commitment to provide high quality care for the residents.

The staff have created a sense of a true home within the premises and pride themselves on inclusion. We are experienced in providing moderate physical support & high complex mental health support.
