About our current residents

What do we love?

Our residents all enjoy BBQs, going out to lunch, attending shows, movie time, colouring-in, puzzles & craft time. Every now and then we go to the football and a range of other community outings.

Sundays are about BBQs or baked lunches. We don't even shy away from an occasional party night or festive holiday celebrations.

Residents enjoy being included in household daily activities with staff and value being respected and their privacy.

Safety & Security:

- Purpose-built open areas for easy access
- Lockable windows
- Air conditioning throughout property
- Staff onsite 24/7
- Security lighting outside
- Firefighting equipment, alarm & sprinkler system
- 1x vehicle on site

About our helpful staff

Residents are supported by a team of permanent staff (female) that have been working at the facility for several years.

The team is stable with established routines and structures in place to support customers and create a positive environment.
